EDUCATION FOR GLOBAL TRADE

World-class education
and opportunity for today's
logistics professionals

TraversEd

CREATING OPPORTUNITY

We build education and training programs that are synergistic and timely. Accreditation that keeps pace with industry change.

Our customizable education packages make it easy for you to integrate into existing curricula, or offer it on its own to your learners.

At TraversEd we don't just launch careers. We prepare for the future and create opportunity.

PARTNER WITH US

CORPORATIONS

In this complex hiring market, having well trained employees encourages job satisfaction and company success. Companies who encourage an environment of learning are more appealing to employees.

Training new and existing staff can be costly and time consuming, as can maintaining your training programs to keep up with constant change. Let TraversEd take care of your employees' development and feel confident with a variety of essential learning options for your new, existing and future leaders.

Provide value to your members with a variety of educational logistics solutions

Add internationally recognized and respected certificates to your business program

Easily integrate our online courses to offer your members access to essential training

Programs can be customized or branded to meet your organization's needs

STAND OUT WITH GOLD-STANDARD ACCREDITATION

Our TraversEd certificate courses cover the competencies required of a freight forwarder, from land, air, and ocean shipping, to dangerous goods, and beyond.

Three tiers make it easy to build expertise.
HOW CERTIFICATION WORKS:

Tier I

Completion of 1 course

- International Transportation and Trade or
- Essentials of Freight Forwarding

Tier II

Completion of 2 courses

- International Transportation and Trade
- Essentials of Freight Forwarding

Tier III

Completion of 3 courses

- International Transportation and Trade
- Essentials of Freight Forwarding
- Advanced Freight Forwarding

SOME OF OUR PARTNERS AND CLIENTS

Fleming College
